After taking a little time off, I'm so happy to be back, and I'm looking forward to sharing all the fun things I have been up to. But I'm also aware of the effect technology has had on our lives. Technology has changed the way we interact and how we communicate, and it will probably continue to do so. The way we meet, date, hang out, spend time together, and most importantly, make memories will never be the same, and that's a good thing.
